APPS TO COVER	TECH CHANGE	LABOR	SHORTCUTS	Misc
The CockPit	There are two apps that go with this. The CockPit and Gamecocks. They both manage sporting events. This could be a branch of a unified application.			
Blackboard	Alot of Teachers use different applications to manage and track tasks. There needs to be 1 location to get your assignments.			
DropBox	Dropbox is less organized than blackboard. Both is not needed.			
GET	the app would start with GET. for quick access to your carolina card funds.
